

The Big Idea

Level 1

The Big Idea of the story is to Clean
your room.

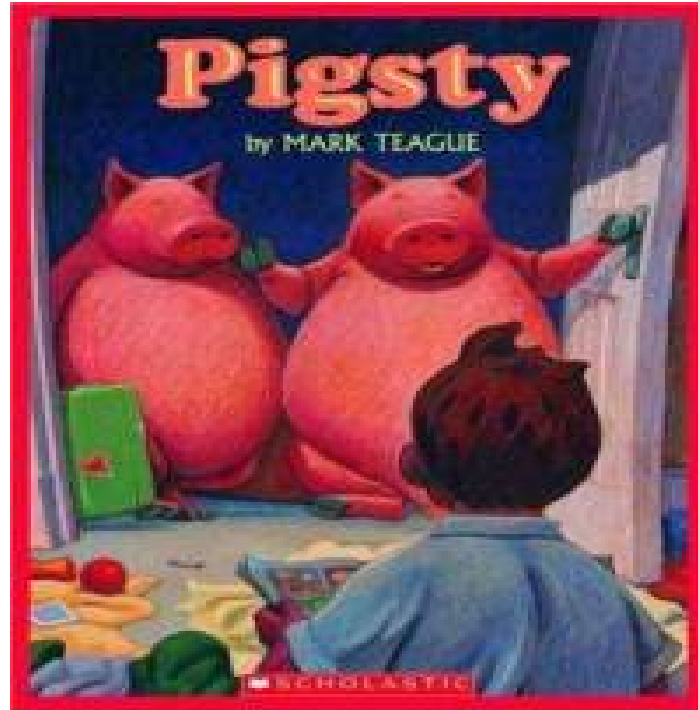

The Big Idea

Level 2

The Big Idea of the story is to Clean
your own mess because it is your own
mess that you made.

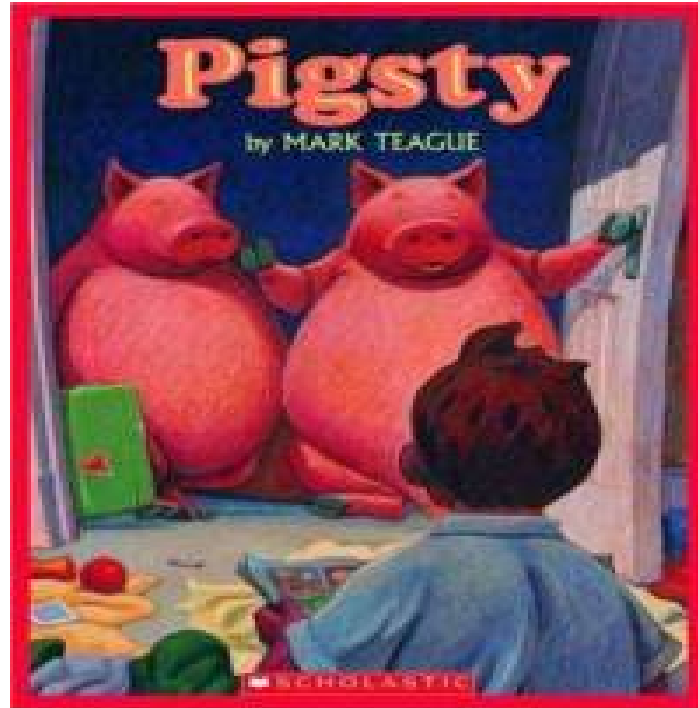

The Big Idea

Level 3

The Big Idea of the story is to be responsible and to clean your room. To clean the mess and put everything back. If someone comes to your house and your room is messy they won't want to go in your room.

The Big Idea

Level 4

The Big Idea of the story is that Wallace learns that it is important to clean your room or it will be very dirty and messy. It will be a pigsty when people come to your place. Cleaning up your room shows responsibility to your family and to the environment. You should listen to your parents and your family.
