

Boomerang Lunches

We really encourage students to bring a **“healthy”** lunch to school. *Please ensure that lunch is in a nylon reusable lunch bag/box (no plastic bags) and that all food is in containers (no plastic wrap, zip lock bags or tin foil).*

Boomerang Lunches

What are “boomerang” lunches?

A boomerang lunch is a lunch that has every piece of it return to its source. In other words, everything in the lunch goes back home at the end of the day, no matter what it is.

Examples include:

- ▶ leftover food
- ▶ banana peels and apple cores
- ▶ recyclables or garbage

Yes, even the garbage. Everything goes home!!!!

Purpose:

- ▶ To participate in this eco-schools initiative
- ▶ To increase awareness of the amount of waste created in one day's lunch
- ▶ To encourage the use of reusable containers
- ▶ To discourage the use of disposable containers

So, parents and students... please help out by participating in our
BOOMERANG LUNCHES!
