

Grade 2 Homework!

Dear Grade Two Families,

Starting this week, your child will be receiving homework assignments every Friday. Please ensure that your child returns his/her homework folder the following Monday. In addition to these homework assignments, we remind you that your child should be reading every night. If homework cannot be completed, please send your child's teacher a brief note.

Now that we are ready to begin the routine, we wish to provide you with the homework schedule for the year.

Our Grade 2 Homework Schedule

Daily Homework: Home Reading Program

Due: The following day (unless it is a chapter book)

Friday Homework: Math and / or other subject areas: activities

Due: Monday

Thank you for working together to improve your child's success at school!

Mrs. Economou
