

Dear Parents/Guardians,

I would like to thank you for supporting your child's success at home and school as you complete weekly homework assignments and activities.

I would like to remind you of a few tips to further encourage your child's continued success:

Please,

- ✓ Set a consistent time each day for completing your child's homework
- ✓ Assist your child with the homework, and ensure that all instructions are being correctly followed
- ✓ Check that all assignments are completed to the best of your child's ability
- ✓ Kindly sign all homework activities to acknowledge your support and parental involvement

I also encourage student to visit the Fairview Library on a weekly basis. Visiting the library not only promotes success in reading, but will also provide a variety of books at home for daily reading.

Thank you for your continued support!

Sincerely,

Mrs. Economou
