

WELCOME

Dear Parents/Caregivers,

Our classroom website has been up and running for a month now and I am interested to get your feedback. For example, how often have you and your child been using it?

Please feel free to write down feedback and send it in with your child. In an effort to reduce paper waste, I will be refraining from sending notes home with your child and instead will be posting information on the website, particularly under the sections titled, "What's New This Month" and "The Parents Bulletin Board" regarding upcoming tests, interviews, etc.

This website was designed to keep you well-informed and up to date with current curriculum based topics and events happening in your child's classroom. I hope you are finding it useful and helpful!

Thank you for your continued support!
