

# Canada and World Connections

## Features of Communities Around the World

- ✓ We are learning that the world is made up of **countries**, **continents** and **regions** and that people may differ from country to country
- ✓ We are learning how various cultures of individuals and groups contribute to the local community
- ✓ We are learning to use resources and tools to gather, process and communicate geographic information about the countries studied
- ✓ We are learning to explain how the environment affects people's lives and the ways in which their needs are met

# The 7 Continents Of The World

(A continent is a large land mass)

7 continents
